PILTOWN NATIONAL SCHOOL

Congratulations to all the boys and girls in second class at Piltown N.S. who made their First Holy Communion this weekend, on Saturday, May 6th. Thank you to their teachers, Ms. Keating, Mrs Murphy and Ms. Power for preparing them so well. We also acknowledge the beautiful school choir who augmented and supported the ceremony. As always, we thank Fr. Moore for his help and guidance.

Jacinta Purcell from Ossory Youth will visit the school in June to provide workshops for both our 6th classes. These workshops are designed to help 6th class pupils with their wellbeing and the transition to secondary school. Jacinta and her team have visited the school for the past number of years and we are very grateful to her and Fr. Moore for facilitating this programme.

OWNING DEVELOPMENT GROUP

Owning Development Group will hold a meeting in the Marian Hall, Owning on Monday, 8th May at 7pm. We would be grateful if we had a good attendance. This meeting is to discuss our village clean up and to get help in maintaining it going forward. You are all aware of Shem's sudden passing and in memory of Shem, we would like to keep our village as he left it. May his gentle soul find rest in the garden of Eden.

IVERK SHOW

The next Iverk Show meeting will take place on Monday, 8th May @8:30pm in the Community Centre. New members are always welcome. Preparations are already underway for the 200th Iverk show which will take place on 22nd August, 2026.

MENTAL HEALTH & DRUG AWARENESS

An open night for a Mental Health and Drug Awareness Conversation will take place in Kill Community Centre on Friday, 12th May at 7:30pm. Speakers on the night are Conor Harris (a previous participant of RTE's series Davy's Toughest Team and GAA club player), David Wade (a Psychotherapist / Clinical Hypnotherapist and Youthreach tutor with 25 years' experience), George Henderson (who has just finished a degree in counselling and psychology and is working towards his Masters in addiction counselling next year) and Sergeant Deirdre O'Neill (of An Garda Síochana in Waterford).

As a community we are aware of the challenges posed by mental ill health and the increasing drug situation now so prevalent among young people in all sections of society. This open night will hopefully help provide information on sources of support available. It will also help understand the current culture of drug use and hopefully give an insight for both parents and young people to be aware of signs. It will also help highlight the signs of mental health issues in young people and how best to source help and understanding of the issues.
