On behalf of the Chairman, President and show committee we would like to thank everyone for their support for the 2023 Show. The Show was once again a great success. Every one of you play your part, big or small. Without it the event could not have kept going for 197 years. Your help on the day or leading up to it is essential. We are already starting to plan for 2024 so anyone that would like to join the committee would be more than welcome. Your ideas are important and we want new thinking. Remember it is your show. So again thank you all very much.
