OVER 60'S CLUB

Prior to Covid, the over 60's club met regularly on every Tuesday from 2pm to 4p. Since Covid, the Club did not return, for whatever reason!

In our parish we have many elderly who do not engage in some social occasions. We all need interaction with others and and so are wondering if we have enough interested people to reform our club again?

The previous club was divided into a small group of men and much larger women's group. Activities involved cards, bingo, Christmas and Summer parties, all of which proved a great success.

We would love to maybe include Whist, traditional party days, short day trips to local places of interest, invite speakers to discuss health issues, relaxation exercise or simply a chat room or an occasional singing session might suit?

Have you your own ideas?

If so, contact the Community Centre for more details and we will determine the interest in reforming the Club from there.
