GOSPEL REFLECTIONS

June 9

Mark 3:20-35

1. Looking on at what Jesus was doing, some of his family thought he was out of his mind. When you think of successful initiatives that you took in your life, were there times when people thought you were a little crazy? Perhaps some regard your interest in faith, or church, in the same way? What sustained you in those circumstances?

2. Successful ventures can arouse jealousy as well as admiration. Jesus was often the target of the jealousy of religious leaders. They questioned his motivation. When have you seen your good efforts, or the good efforts of others, spoiled by the jealousy or hostility of some? Did it help when there were people prepared to stand together in face of the criticism?

3. For many people their blood family provides an enduring, reliable and supportive network. Jesus had another family as well: those of one mind and heart with him in seeking to do God's will. When and where have you experienced encouragement from people of shared vision and faith?

EXAM TIME

We wish all students undertaking state examinations the very best of luck over the coming weeks. Please keep the students in your prayers on these important days.

PRAYER

Father, Lord in heaven, thank you for how you have brought me with my studies. Through all the studies and the mock exams, you have carried me through. I pray today for absolute focus and concentration during these exams. I pray that you let me not be distracted by problems at home. Help keep me totally focussed on these exams. Release my mind from all trivial issues. Clear my brain of any rubbish and fill it with the knowledge of things I must remember. Give me the wisdom to know what to focus on before each exam. Help me discern between what is relevant and what is not. Remove all delusions from my life. Let me put my trust in you. Let me not rely on my own strength and bless me to finish this race with excellence and distinction. Amen
