GOSPEL REFLECTIONS

23rd June

Mark 4.35-41

1. The image of a boat in a stormy sea is a symbol of life in difficult times and is an image of the inner turmoil, anxiety and high emotions we then experience. Has your faith in the presence of the risen Jesus been a help to you? Recall the memory and give thanks.

2. The image can also be applied to a family, a community, a parish, or any other group. Perhaps a 'Jesus-person' in the group came to your assistance and calmed you down? Remember people who have had a gift of bringing you peace in troubled situations.

3. The significance of miracles in the gospels is that they show Jesus as one who brings God's power to bear on human need and suffering. Have there been times when you have been a channel for this healing power of God, holding a crying child in your arms, calming the anxiety of a friend, or being a peacemaker in a group to which you belong?

PASTORAL AREA COMMITTEE

The Pastoral Area committee covers the parishes of Templeorum, Mooncoin and Kilmacow. The Pastoral Area is a grouping of parishes and their curacies, which are increasingly work together in deeper and more intentional ways to support mission. This collaboration can involve the sharing of vital resources, such as priests and lay leaders across parish boundaries. The Committee meet every second month with a break during the summer months. The venue is rotated and last week the meeting took place in Mooncoin. The committee would like to hear input from parishioners on ideas on how to enhance our pastoral area, improve the co-operation and synergies between the individual parishes and grow the identity of the Pastoral Area. If you have any ideas in this respect, please contact any of the committee in your locality.
