This is an initiative of *United Irish Pilgrimages to Lourdes*, which is a group comprising of Pilgrimage Directors from most Irish dioceses and of some religious orders. Saint Bernadette's relics will visit each diocese in the country and some churches belonging to religious orders during the months of September and October 2024. Saint Mary's Cathedral, Kilkenny, will kindly accommodate the visit of the Relics to Ossory Diocese. COUNTY KILKENNY MASS PATHS & AND HOLY WELLS SURVEY

We need your help; Kilkenny County Council in partnership with Shanarc Archaeology and Wicklow Willow are conducting a survey of holy wells and mass paths in County Kilkenny. Holy wells have been visited for centuries around the county to provide cures, comfort and community. This survey seeks to record what remains in the landscape and in memory so that future generations will understand their importance in our spiritual, social and cultural heritage. Mass paths are an important and under-recorded part of our cultural heritage. They serve as reminders of the challenges faced by Catholics during the penal times, and also reminders of a later era when they were used by people in rural areas as pedestrian routes to mass, to visit neighbours and for going to school. If they are not recorded in the near future, their presence and value will have faded from the public memory. Much of the knowledge of holy wells and mass paths rests in community memory around the county and Kilkenny County Council need your help to record this knowledge before it is too late. We also hope to hold workshops around the county over the coming months to hear your stories. To get involved in the project or to share information about your local holy well or mass path, please contact the Heritage Office at Kilkenny County Council at 056-7794923 or heritage@kilkennycoco.ie
