### SACRAMENTS

Many of our boys and girls are already looking forward to their First Holy Communion and Confirmation. Great work will be done in the schools to prepare them to receive these sacraments. The parish must also play its part. We must not leave these preparations to the schools alone. I'm looking for volunteers to help set up First Holy Communion and Confirmation teams to get our wider community involved. Can you help? If so, please contact Fr. Moore on 087-2408078.

### LIFE IN THE SPIRIT

In the next few weeks we hope to run a course on 'Life in the Spirit'. The Holy Spirit is a wonderful gift given to us in Baptism and Confirmation but many of us are unaware or ignorant of the Holy Spirit within us. This four-week course will transform your life.

- \* It will bring alive Sacramental Baptism and Confirmation.
- \* Deepen communion with God and with fellow Christians.
- \* Enkindle the flame to share the good news of Christ.
- \* Equip you with wonderful gifts to be yourself and to be of service to others.

### PILTOWN MEN'S SHED

The second meeting of the Men's Shed took place on the 24<sup>th</sup> of September in the Iverk show meeting room. 10 people attended along with Michael Cass from

Dungarvan Men's Shed. Michael outlined details on getting the Men's Shed off the ground as regards its constitution, compliance with the Charities regulator and Revenue. Activities in the shed should ideally be 80% of a social nature and 20% used to develop new skills such as woodturning, making bird boxes etc. It is hoped to have as many members as possible with different skill sets.

Accounts are returned annually, and the shed should be non-religious and non-political to be a success. Funding of the shed will be from grants, donations, fund raising activities and membership fees. The next meeting of Piltown Men's Shed will take place on Monday, September 30<sup>th</sup> at 7pm in the Iverk Showgrounds meeting room.

#### **MINISTERS OF THE WORD**

Ministers of the Word or Readers as they are more commonly referred as, are an important and essential part of our ceremonies. They exemplify the inclusivity of our congregation in the celebration of the Mass. It is important to add new faces to the wonderful, experienced readers we currently have and particularly to add youth to the role to reinforce the future inclusivity of our Church.

This is a callout for new readers across all our Churches, but there is a particular shortage of readers for the Saturday evening 6pm Mass in Piltown, which attracts the largest congregation. It is an ideal of opportunity for parishioners to contribute in a meaningful way to the ceremonies. It would especially suit those wonderful young people who have made they Confirmation and have ambitions to pursue careers which

involve presenting to peer groups, maybe as teachers or people managers. Please put your name forward or encourage young people you know to get involved by contacting any of those listed below. Support can be provided for those starting off.

What does a Minister of the Word do...

- The reader proclaims the assigned reading for the day, so that all the congregation might hear God's word.
- The reader acts as an instrument for God's message and they are called to communicate this message to others.
- The reader is comfortable with communicating with others – they are called to tell the Good News to those who are gathered.
- The reader reads from the Old Testament and the New Testament, the Psalm and the Gospel Acclamation.
