Some planting at the staff car park of the school was completed during the week. The ground slopes downwards so it was considered that ground cover plants would be best suited. Bamboo plants were sourced at O'Sheas farm in Ardclone from a mature plantation of bamboos. The plants when mature will be kept at a height of around 4 feet.

The Sensory garden towards the rear of the school has been measured up and suitable plants will be sourced for planting over the coming weeks. Keep Piltown Tidy are looking for more volunteers to join them. For more information, please contact: 087-2191808.
